Exam Instructions for Students

To take the exam, follow these instructions below. If you have any problems, you may send an email to the SOLIDWORKS Certification team at certification@solidworks.com for support.
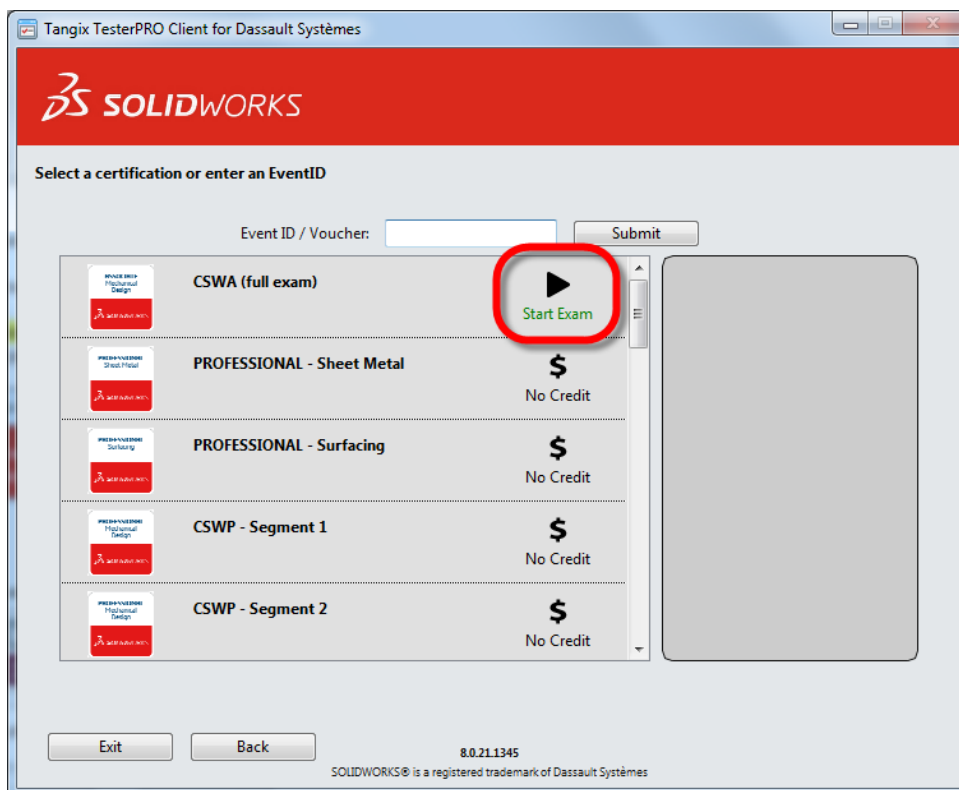

1) **Download** the TesterPRO Client software from https://3dexperience.virtualtester.com and **SAVE** it to any location of your choice.

2) Execute the file you just downloaded and proceed through the first set-up screen.

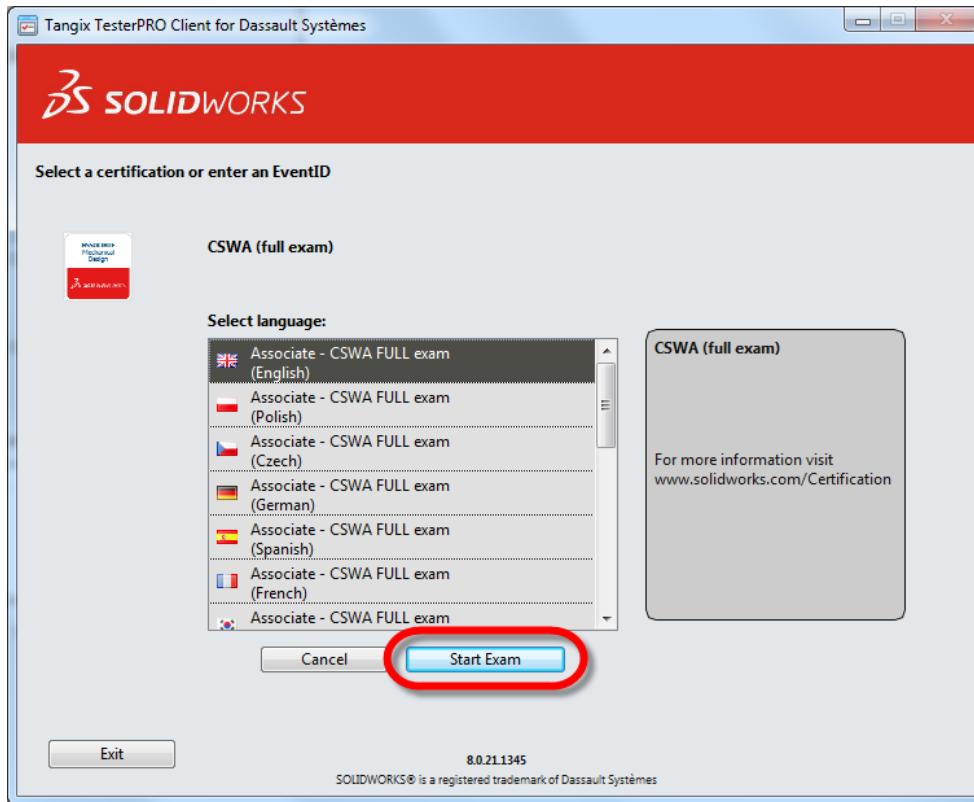

3) If you **DO** have an account, please login with your **school email address** and password. If you forgot your password, click here to reset it.

    If you **DON'T** have an account, please create one at this time using your **school email address**. An email verification will be sent to you for account activation.

4) Select the '**SOLIDWORKS**' brand.

5) Scroll down to find your exam. Click on the "**Start Exam**" icon to take your exam.

6) Choose your language for the exam and then click the "**Start Exam**" button:

7) Take your exam.
